View Map

(Poster art by the talented and fantastic Cao-Hsin Lee)

Games by the Sea is back for a flippin' fantastic SIXTH year. An evening by game developers, for game developers! We aim to bring you a curiously costal evening of indie gaming delights, conversation, and drinks.

Yet another new venue for 2018

Games by the Sea will be kindly hosted by C:\Side Quest. It's right on the beach and even has a pinball machine!! Food will be available from the C:\Side Quest kitchen, they do delicious Banh Mi and extravagant Loaded Fries. Mmmmmmm!

Make Real will also be present, they'll be doing some 360° filming as part of the Google Daydream Impact project with Stay Up Late & Gig Buddies, a local charity that helps members with learning disabilities to have an active social life.

Drinks!

Peruse the fine selection of indie beers and other tipples at C:\Side Quest. There may even be some of Loading Bar's famous games themed cocktails. Gain free drink tokens by talking to experts and checking out games!

Grab your ticket now - all tickets come with a free drinks token, courtesy of Curve Digital!

Games, games, games!

- Multibowl
Sloppy Forgeries
Chalo Chalo
Sausage Sports Club
And more to be announced!

Drinks sponsored by:

Curve Digital is one of the world's leading publishers of games on PC and consoles. Since 2013, the company has been working with some of the world's best game developers to help bring their games - from indie hits like Dear Esther to the likes of the million-selling Human: Fall Flat - to the broadest possible audiences all over the world.

Equipment sponsored by:

Unity Technologies offers a platform for creating beautiful and engaging 2D, 3D, VR, and AR games and apps. A powerful graphics engine and full-featured editor enable you to realize your creative vision fast, and deliver your content to virtually any media or device.

More than an engine, Unity helps you achieve ongoing success. It offers everything you need to develop quality content, boost your productivity, and connect with your audience. Tools and resources include the Unity Asset Store, Unity Cloud Build, Unity Analytics, Unity Ads, Unity Everyplay, and Unity Certification.

MULTIPLAY EVENTS

Multiplay Events know and understand your world as we have been on the forefront of technology based events both in the UK and internationally for over 14 years. Multiplay Events have vast knowledge and experience in not just technology, but also on how to make your event stand out from the crowd.

In association with...

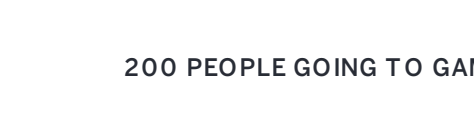

Size Five Games is an indie dev studio run out of Dorset. We made Ben There, Dan That!, Time Gentlemen, Please!, The Swindle and Behold the Kickmen. Buy those games when you get home because honestly we've invested a lot of cold hard cash in Games by the Sea and expect to see a serious return.

SHERIDANS

So Romantic

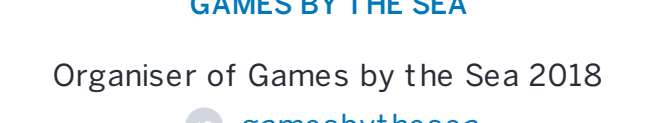

Games by the Sea operates a "be a decent human being" policy. We hope that is pretty self explanatory. We want everyone to feel welcome, safe, respected and not be harassed or threatened in any way.
